

## *Raptor Demonstration and Delta Adventure Cruise Saturday, April 7, 2018*

### *Raptor Trek: Alabama's Premier Animal Experience!*

*This program allows children and adults to experience and learn about a collection of Alabama's native species of raptors through a conversation-based presentation. Meet our collection of nonreleasable raptors and learn about the circumstances that brought these avian educational ambassadors into our care and how people can take steps to help protect these native species.*

*11:15 AM-12:15 PM and 2:00-3:00 PM  
Complimentary with park admission*

### *Delta Adventure Cruise*

*This two-hour excursion showcases the incredible beauty and natural diversity of the Mobile-Tensaw Delta. Every one of these outings takes a slightly different course and features unique opportunities to view the abundance of Delta wildlife, such as eagles, ospreys, and of course alligators.*

*\$25/adults and \$15/kids ages 6-12*

*Call 251-626-0798 for tickets*
